Only one complaint had been received since last review. This was from Mr & Mrs Baines. Complaint was about noise and litter.

Ms Baumgarten had been monitoring the litter problem very recently and had sent in a report. Mrs Darling had also been checking litter and putting out bags.

It was not thought to be too great a problem. Mrs Darling will continue to check.

Mr Wheeler attended meeting, and is interested in taking a part in maintaining the skateboard ramp along with some other fathers. Only maintenance at moment will be quarterly treating with preservative. Mrs Darling will liaise with him regarding raising some funds towards insurance and treatment paint.
